

## **atlas of the biosphere**

**Disclaimer:** The University of Wisconsin, The Center for Sustainability and the Global Environment, and the Atlas of the Biosphere make no claim as to the validity or accuracy of this data. All such claims are expressly the responsibility of the individual dataset creator(s). Effort has been made to include in the Atlas only those datasets that presumably represent the pinnacle of current knowledge in a particular field, however we will assume no accountability for any errors end users may encounter while working with the data.
